Delivery Team

Risk Level Classification

RISK LEVEL	VISUAL INDICATOR
High Risk The message has multiple strong phishing indicators and is very likely malicious.	 80% – 100%
Medium-High Risk The message has several suspicious indicators and could be a phishing attempt.	 60% – 79%
Medium Risk The message has some unusual elements but not enough to confirm it as phishing.	 30% – 59%
Low Risk The message shows no major phishing indicators and appears legitimate.	 0% – 29%
